Re: 4/08/05 FEC Letter to the
Lyndon LaRouche Political Action Committee

Dear Mr. Morse:

Please be advised that I represent the Lyndon LaRouche Political Action Committee and its treasurer, Barbara M. Boyd, generally, and with regard to the matters raised in your December 15, 2004, December 23, 2004, February 4, 2005, and April 8, 2005 letters to the Committee. The Committee has previously responded to each of the previous letters and now responds to the matters raised in your April 8, 2005 letter.

The FEC's letter was occasioned by review of the Committee's Year End Report and seeks information concerning reporting of independent expenditures including a possible failure to file or timely file 24 hour notices concerning certain last minute independent expenditures.

I. Possible Duplicate Reporting

First, the FEC seeks information as to whether a \$21,939.15 disbursement listed on Schedule B is identical to a \$21,939.15 independent expenditure listed on Schedule E. The "Physical Economy" pamphlet, a copy of which has been provided in previous responses, was reprinted six times in 2004. The printing cost was the same for the third through the sixth printing. The pamphlet listed on Schedule E in the Year End Report is the fourth printing of the pamphlet which was shipped from the printer on or about
